tvo Mathify

What is Mathify?

Mathify is a Ministry funded program that gives students 1:1 online after school math tutoring with an Ontario Certified Teacher. Students work using an online whiteboard equipped with a variety of tools to help them solve math problems. They can invite live tutors into this space for additional support. This is a replacement for the initiative formerly known as Math Homework Help.

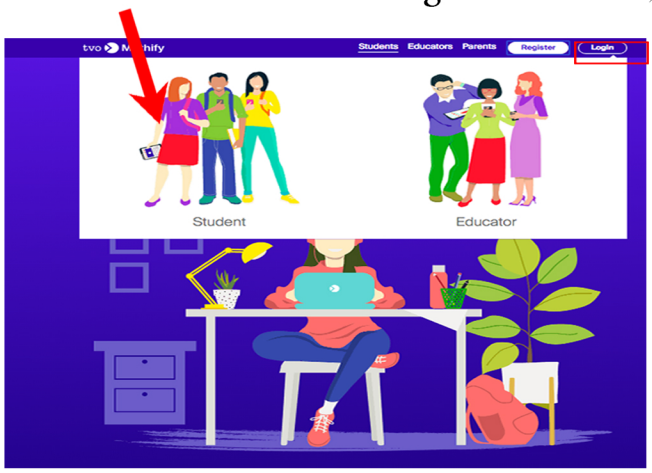
When?

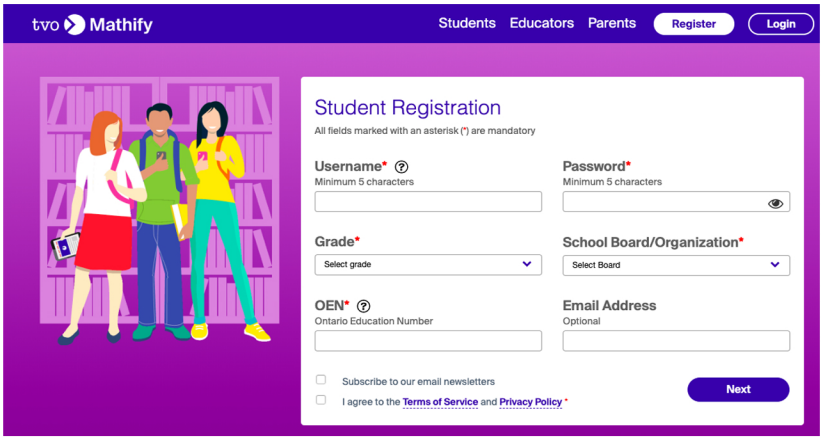
Tutors are available from **Sunday to Thursday from 3:30 pm to 9:30 pm**.

Web Address
www.tvomathify.com

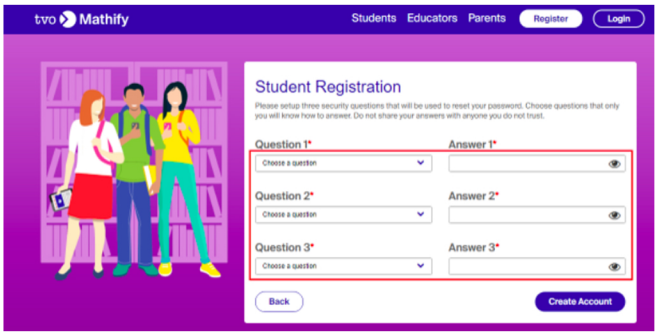
Registering Your Account

To register for Mathify, go to **www.tvomathify.com** and click the **Register** button in top right corner then select **Student**. On **Student Registration** screen, complete the required fields and **Submit**.





To complete registration, set up **three security questions**. If password is forgotten, these answers will be used to retrieve it. Then click on **Create Account**.



Logging In

Once registered, login with username and password at **www.tvomath.com** by clicking the **Login** button in the top right corner.

D2L and Mathify

Mathify

Through D2L, click on the Mathify icon. Username, email and OEN will be auotmatically filled in. Once registration is complete, login information will be saved and will not be required from that point on. Just click on Mathify icon in D2L and it will automatically connect to account.
