STUDENT & PARENT RETURN TO SCHOOL GUIDE: SECONDARY SCHOOL

Hello DSBN Secondary Students & Families

We are very pleased to welcome you back to school!

Although things will look a little different, we know with everyone's positive support, we will create an amazing, healthy and safe learning environment for our students.

We understand that the start of a new school year brings excitement and questions. This year is unique for everyone with the newness of protocols we all need to follow to keep each other safe. Our school will look a little different from when you last attended or visited, with new signage to remind us all about keeping safe.

It is very important to review this entire document with your students, so that they understand the new protocols that are in place due to COVID-19.

RETURN TO SCHOOL DETAILS FOR THOSE WHO HAVE CHOSEN IN-PERSON ADAPTIVE LEARNING

Students who have selected this opportunity will be attending school in cohorts and will be completing the rest of their learning online. You will receive a school specific schedule from your school later this week.

STUDY HALL

A supervised study hall will be available at all secondary schools

before the start of classes. Your School will provide you with more specific details this week.

ADAPTIVE ONLINE LEARNING

- On the days you are not attending school in-person you will be working on your courses at home
- Students will be using D2L Brightspace and/or Google Classrooms to access their online classrooms
- It is important to participate as you would on a regular school day and complete your learning to stay on track
- Teachers will be providing you with more specific details about your classes on September 8th, please make sure to login and be ready to get to work!
- It is important that you are checking your email daily and logging into D2L Brightspace or your Google Classroom. Your teacher will be providing you with the work you are to be completing, schedules, due dates etc. They will also provide details to you about supports available to assist you in your learning.
- Unlike the spring, when we transitioned to emergency remote learning, online learning will consist of approximately 300 minutes per day where students are completing synchronous, asynchronous or independent learning.

TIMETABLES AND COHORT

- Later this week, your school will send you information on how to access timetables and cohort information
- **COHORTS**
 - If you have selected to attend school in-person this year, you have been assigned to Cohort A or B

STUDENT & PARENT RETURN TO SCHOOL GUIDE: SECONDARY SCHOOL

SYNCHRONOUS LEARNING is a term used to describe all types of learning where students and their teacher are in different places, but connecting at the same time. This includes live online lessons, small group instruction, individual conferencing, and scheduled teacher support when students and parents can access the classroom teacher.

ASYNCHRONOUS LEARNING refers to all types of learning in which students and teachers are not in the same place at the same time. This includes video recordings of lessons and activities, posted assignments and independent learning.

- Teachers will be providing you with more specific details about your classes
- On September 8th, please make sure to login and be ready to get to work on your period 1 class!

HEALTH AND SAFETY WHEN ATTENDING SCHOOL

MASKS

- Wearing masks has been mandated for all secondary students and staff by the Ministry of Education. All students will receive a DSBN mask.
- Wearing a mask can be uncomfortable; however, it is an important strategy in keeping students and staff safe. To ease student discomfort with wearing masks, we will be scheduling breaks with students where they can go outside and will not have to wear masks as long as physical distancing is maintained.
- If you have a medical condition that prevents you from wearing a mask, please contact your school principal for details and the documentation required.
- It is a good idea for students to bring a couple of additional clean masks with them in a ziplock bag, in case they need a fresh one.

PHYSICAL DISTANCING AND NO CONGREGATING

- As much as possible, all students are required to maintain physical distancing.
- This will be achieved through directional signage, education and encouragement, making changes to classroom set-ups, hallway flow, and much more.

- Health and Safety signage is posted throughout the school and in all classrooms to remind students how to be safe
- These include: entry protocol, physical distancing cues, proper hygiene practices, restrictions for use of equipment, rooms, and how to travel within the school or worksite.

HYGIENE PRACTICES

- All students will be hand washing regularly and teaching proper handwashing techniques to students. Reminders to wash hands regularly will be posted throughout schools, and sanitizer will be available in every classroom and at entrances.

LOCKERS

- There will be no lockers issued this year
- Students will need to bring with them required materials for the class they are attending and arrive at school dressed appropriately for their course eg. physical education, technology etc.
- Change rooms are currently closed

NO LUNCH DUE TO COMPRESSED DAY

- There is no scheduled lunch period
- Cafeterias and vending machines are closed
- Students will need to bring food with them and will be given an opportunity to eat in their classes and on scheduled breaks.
- Water fountains will be closed
- Please bring a refillable water container as water filling stations are open
