## SCHOOL PLACEMENT

All schools in the District School Board of Niagara offer a high-quality curriculum set out by the Ontario Ministry of Education. School placement for an international student will be determined based on the following two factors:

### 1. Level of Need for ESL Support

All DSBN schools offer ESL support at varying levels; however, there are 9 elementary schools and 4 secondary schools that offer comprehensive ESL support on site. School information can be found: [www.dsbn.org/international/our-schools](http://www.dsbn.org/international/our-schools)

An international student will be required to visit our Welcome Centre upon arrival to have an English proficiency assessment. The assessment results will indicate if attending an ESL-site school is required. Free school-busing from your home address in Niagara to/from school, if not within walking distance, may be provided to attend the ESL-site school.

### 2. Your Home Address in Niagara

An international student will be required to attend a regular-site school or an ESL-site school that is designated according to your home address in Niagara. To find the designated regular-site and ESL-site schools for any home address in Niagara, visit [www.dsbn.org](http://www.dsbn.org) and select Schools>School Locator.

A student may wish to select their preferred school first, then ask the homestay coordinator to assist in locating a homestay within the boundary of that school, OR, a student may ask that DSBN assign the appropriate school based on the home address given by the homestay coordinator. Student will be able to specify a preferred approach when completing the International Student Application Form.

**The DSBN reserves the right to determine school placement for any student, in its sole discretion.**

## CUSTODIANSHIP AND HOMESTAY SERVICES

**The DSBN does not provide homestay or custodian services.  
We encourage families to do their own research and make their own arrangements.**

**Custodianship:** A custodian must be named for any student who is a minor (under the age of 18 years) living in Ontario and not living with a parent/legal guardian. The Custodian must be at least 19 years of age and be a citizen or permanent resident of Canada who is residing within a reasonable distance from the student.

Custodianship requires that legal arrangements be made to give the custodian in Canada permission to act in place of a parent/legal guardian. [Custodianship Declaration form](#) is available on the Citizenship and Immigration Canada website:

- the first page needs to be signed by the custodian and notarized (certified by a lawyer or notary) in Canada
- the second page needs to be signed by the parents or legal guardians of the minor child and notarized in their home country

**Two** pages of the Custodianship Declaration form must be signed, notarized, and presented to the DSBN Welcome Centre at the orientation/assessment appointment prior to starting school.

**Homestay:** Some students and their families choose living arrangements with relatives; others select agencies to coordinate living arrangements. The DSBN does not recommend any agency as the selection of a student service provider is the sole responsibility of the parents.

Four local student service providers that can assist families in their search for possible homestay arrangements can be found on this link: [www.dsbn.org/international/student-support-and-homestay-services](http://www.dsbn.org/international/student-support-and-homestay-services). Families may also consult other service providers on their own or use their own resources.

For students who are 18 years of age or older, it is highly recommended that they live with a local family and have a custodian. An emergency contact **must** be made available at all times.

## HEALTHCARE INSURANCE COVERAGE IN CANADA

All international students must have insurance coverage effective in Canada for the period of enrolment at the DSBN. It is the **student's/family's/custodian's responsibility** to purchase and maintain adequate insurance coverage effective while studying at the DSBN. Healthcare insurance can be purchased with the assistance of a student service provider in Niagara or can be purchased directly with an insurance company by the student/family. It is the sole responsibility of the student/family to choose which provider is used as DSBN does not recommend any insurance provider. For a list of some insurance providers, please visit [www.dsbn.org/international/arrival-and-orientation](http://www.dsbn.org/international/arrival-and-orientation)

## IMMUNIZATION RECORDS

An up-to-date immunization record **must** be submitted to the DSBN Welcome Centre at the registration appointment. The original immunization record must either be in English or have been translated to English. If translated to English, the immunization record must be notarized as a true copy of the original.

Submit the immunization record in either of the following 2 versions:

- 1) The English-translated version of the record - notarized as a true copy of the original; OR
- 2) A photocopy of the original untranslated version of the record along with one available translation cover sheet completed by the parent

Immunization Record Request and translation cover sheets are available at [www.dsbn.org/international/forms](http://www.dsbn.org/international/forms)

## ROLES AND RESPONSIBILITIES OF CUSTODIAN

A Custodian is required if a student is a minor (under 18 years of age) living in Ontario and not living with a parent/legal guardian. A responsible and reliable custodian is very important for international students' ongoing wellbeing, safety, and success in their entire learning experience at DSBN.

If the international student applicant will be in the care of a custodian, the student's parent should read carefully the following roles and responsibilities of a custodian in order to arrange for the best care for their child, as choice of custodian is the sole responsibility of the parent. The DSBN does not recommend any custodian.

A custodian, in acting on behalf of the parents, is responsible for making the necessary arrangements for the care and support for the student while s/he is studying in Canada. The custodian is expected to:

- Assist the student with pre-arrival arrangement:
  - Make a registration appointment with the DSBN Welcome Centre.
  - If needed, arrange homestay placement, purchase healthcare insurance, arrange airport pick-up.
- Assist the student with arrival details:
  - Bring the student to the Welcome Centre with required documentation for registration and English assessment, and sign required forms.
  - Bring the student to the school with required documentation for school registration and sign school registration forms.
  - Assist the student with settlement needs, such as opening a bank account or buying a cell phone, or make appropriate arrangements.
- Be the official contact for the DSBN school with regard to all matters involving the international student:
  - Provide consent as needed by the school for academic programs and activities (this will be required throughout the year). It is an expectation that no fees will be charged to the student for the signing of these consent forms.
  - Attend parent-teacher interviews and communicate with parents afterwards.
  - Monitor the student's attendance record, report student absences to the school following school procedures, and communicate student's absences to parents in a timely fashion.
  - Send student's study plan/timetable and academic reports (preliminary, mid-term and final reports) to parents and communicate between the school and parents/students regarding any related academic concerns and/or follow-up plans.
  - Assist the student with solving any behavioral, social, emotional and medical concerns and communicate between the school, student, and parents.
  - Assist the student with solving homestay issues and communicate with parents and the school.
  - Respond in a timely fashion to requests/phone calls from the school in order to best ensure the student's safety.
  - Maintain correct custodian and homestay contact information with the school. Inform the school immediately if any change is made to the student's homestay or custodianship arrangement.
  - Maintain up-to-date study permit and healthcare insurance with the school.
  - If temporarily away from maximum 2-hour drive distance from Niagara, arrange for an emergency contact person and provide the emergency contact information to the school.

**As the student's parent/legal guardian, by signing below, I confirm that I have read the above information carefully. I consent to the DSBN releasing any information about my child's health, education and welfare to the custodian I appoint.**
