

Choice Board

At Home Learning 1 - Intermediate (Grades 7 - 8)

Please choose from the following optional learning activities.

ROM at Home

Find fun and creative activities based on the ROM's collections. Explore curriculum content with engaging projects you can try at home. Above is a sample activity you can try.

<https://www.rom.on.ca/en/learn/activities/classroom/hieroglyphs>

Physical Education: Get up, get off the couch and let's get active!! Click on the links below to get your heart pumping and your feet moving. Before you start, please make sure 1. you have proper footwear (bare feet/running shoes), 2. the floor space is clear so you won't trip on anything and 3. the area around you is free from anything you may bump into. Participate in one activity in the morning and the other activity in the afternoon. Have FUN!

[Scooter Pillow Race](#)

[Good Luck Catching](#)

Board Games

Play language based board games (e.g., Scrabble, Boggle, Bananagrams, Hedbanz)

Snuggle up with a good book!

Use this Destiny Discover [tutorial](#) to find a book at destiny.dsb.org that is a good fit for you.

My part of the story...

1. Share a story of a person (teacher, friend, relative) that made a difference in your life.
2. Share an experience of a time where you felt excluded.
3. Share one thing you wish your teacher knew about you.

Lexique et Jeux

[Click here to learn new vocabulary in French.](#)

[Click Here to play games using the new vocabulary.](#)

Visual Arts

Take a virtual tour of the National Art Gallery and become more familiar with famous artists who studied [nature](#). Think about how these artists view nature in a new way. Afterwards, choose a natural item or scene (look outside your window) and try your hand at drawing it in a new way.

Science

Today's Science inquiry is all about energy and motion!

Explore the properties of chemicals in this simple experiment you can do at home with a parent or responsible older sibling, and experience some "uplifting" results!

[How Can you Make Popcorn Kernels Dance?](#)

Math

What cuts would you need to make to create this snowflake? Try it!

Indigenous Education

Explore Indigenous Languages from around the world with Google Earth: Follow the link below to the site, and then choose a location to hear, and learn some Indigenous languages.
