Physical Education: Get up and let's get active by simply clicking the links below.

These follow along brain breaks will get your heart pumping, your feet moving and you're SURE to have some fun !! Before you start, please make sure 1. you have proper footwear (bare feet/running shoes), 2. the floor space is clear so you won't trip on anything and 3. the area around you is free from anything you may bump into.

Participate in one activity in the morning and the other activity in the afternoon.

Listen to the book [Where Are You From?](#) read by author Yamile Saied Méndez. Make a jigsaw puzzle of yourself, by drawing a self portrait on a piece of paper and cutting it up into five or six pieces. On the back of each piece, write a word to describe your own identity.
(Expectation D3.3 describe how visible differences and invisible differences make each person unique, and identify ways of showing respect for differences in others)

Music

Explore the musical activities and games and listen to and learn some new songs. Click on your Grade button in musicplayonline.com to get started!

Science

Create your own seed museum and investigate [how seeds germinate](#) in this investigation from Scientists in School.

Math

Build a Fort for your favourite stuffy! How will you decide how tall to make it?

Indigenous Education

[Click here](#) to watch a short clip to learn about the word Indigenous. After watching, explain what Indigenous means to a family member.
