**Director's Recognition for Extraordinary Contributions – Brock Leaders' Citizenship Society,  
Community Partner**

The Brock Leaders' Citizenship Society consists of Brock University students who embody leadership, citizenship, and academic excellence. Through volunteer-based fundraisers, awareness campaigns, and outreach initiatives, this passionate and exceptional group are dedicated to improving communities both locally and abroad.

This evening, we are honoured to recognize five members of the Brock Leaders' Citizenship Society: MacKenzie Ceci, Meagan Gloor, Zachery Harrietha, Aynsley Maves and Lauren Saly.

In partnership with the Education Foundation of Niagara, these five students have gone above and beyond with their time and dedication in planning, organizing, and executing a successful fundraiser known as the Denim, Diamonds, and Diplomas event. This year's Denim, Diamonds and Diploma event raised \$23,783 bringing the three-year total to \$66,283.

Funds from this annual event provide bursaries to graduates of DSBN Academy who will be the first in their family to attend college or university in the pursuit of a degree. As you may know, DSBN Academy held its first graduation in June 2017. Thanks to the Brock Leaders' Citizenship Society and their fundraising efforts, twenty students received a \$250 bursary to assist them with the many out of pocket costs of attending a college or university program. At this year's graduation, 40 students will receive this bursary totaling \$10,000.

These ambitious and innovative Brock students have established a named endowment fund which will be pooled with other named funds to support future bursaries.

On behalf of DSBN and DSBN Academy students and families, thank you MacKenzie, Meagan, Zachery, Aynsley and Lauren for your leadership and dedication to improving the lives of our students.

It is my pleasure to present The Brock Leaders' Citizenship Society with the Director's Recognition for Extraordinary Contributions award. Congratulations!

### **Director's Recognition for Extraordinary Contributions – Joshua Gautier, Student, A.N. Myer Secondary School**

Joshua Gautier is a grade 10 student at A.N. Myer Secondary School. Despite being challenged with muscular dystrophy, Joshua maintains an engaging enthusiasm, growth mindset and sense of humour that make him stand out in Myer's halls. In the year and a half that he has been at the school, Joshua's spirit and perseverance in the face of adversity have made him an invaluable part of the school's culture and a model of resiliency for students and staff alike.

Joshua is determined to excel in his studies and lets no obstacle divert him from this goal. He has maintained an average of 92% in all of his classes to date despite medical related absences. His teachers consistently report that Joshua is an enthusiastic participant, diligent scholar and leader in all classroom activities.

In addition to his academic excellence, Joshua is an accomplished boccia player. He is currently ranked fourth in the nation by Boccia Canada and regularly competes with - and defeats - Olympians. Joshua is not content to compete as an individual. At the end of his grade 9 year, he approached Principal Johanna Provost with the desire to start a boccia club so that others in the Myer family could experience the fun, competitiveness and social benefits of the sport he loves. Principal Provost supported Joshua in this endeavour and the A.N. Myer Boccia Club, comprised of students and staff, now meets, competes and has fun on a weekly basis.

Joshua's joy, optimism and love for life are contagious. As he moves through his day, he leaves everyone he meets with a renewed appreciation for their blessings and an invigorated approach to life. Joshua is truly deserving of the Director's Recognition for Extraordinary Contributions. Congratulations!

### **DSBN Welcomes Passage of Rowan's Law**

The District School Board of Niagara welcomes the passage of Rowan's Law as an important step forward in student safety.

On March 6, the Ontario Legislature passed the concussion safety legislation, which was developed to protect students and other amateur athletes in the province. The legislation is named Rowan's Law in memory of Ottawa student Rowan Stringer who passed away after receiving multiple concussions playing high school rugby.

The law standardizes important practices related to the prevention and management of concussions and provides schools with more tools to support students. The law also mandates increased concussion education for students, teachers, and coaches. With additional education, students will be more aware of their safety when playing, and more likely to report an injury when it occurs.

The intent with Rowan's Law is to ensure that what happened to Rowan Stringer never happens to another young person in Ontario.

## **Drama Festival**

This year's National Theatre School Drama Festival (formerly Sears Drama Festival) welcomed 140 drama students from six DSBN secondary schools. Seven productions were showcased over four nights and this year was particularly special, in that the awards banquet was hosted by Greater Fort Erie Secondary School. The students were thrilled to be in such a beautiful school and to be celebrating the culmination of four days of problem solving, learning and sharing through drama. This year, three of the productions entered into the Drama Festival were entirely student-led.

Congratulations to the productions from Governor Simcoe Secondary School and from Grimsby Secondary School for being selected to represent the District School Board of Niagara at the NTS Regional Drama Festival in Hamilton this April.

## **Ontario Volunteer Service Awards**

The Ontario Volunteer Service Awards ceremony was held last week at Club Italia.

117 Niagara residents were honoured at the event. The awards recognize people who have put in from five to 65 years of continuous service with an organization. Many DSBN volunteers have been recognized over the years.

This year, Judy Ingram at Harriet Tubman PS was recognized for her 15 years of volunteer service in both Alexandra and Harriet Tubman's breakfast programs!

Thank you to Judy, and to all those who volunteer in our schools, for your dedication and support of student success.

## DISTRICT SCHOOL BOARD OF NIAGARA

### DETERMINATION AND DISTRIBUTION OF BOARD TRUSTEES – 2018

---

#### **Background:**

The election to and representation on a District School Board as a Trustee, including the method for determining and distributing the number of school board Trustees, is governed by the Education Act and Ontario Regulation 412/00 *“Elections to and Representation on District School Boards”*. The process utilizes the number of English Language Public District School Board electors, as provided in mid-February of the election year by the Municipal Property Assessment Corporation (MPAC), as well as a number of other factors. A School Board may ask the Minister to increase or to reduce the number of Trustees elected for its Board based on such things as a demographic change or a change in the size of the geographical area of jurisdiction.

In accordance with Ontario Regulation 412/00, the District School Board of Niagara (DSBN) must pass resolutions for the Determination and Distribution of Trustees by March 31, 2018, in preparation for the October 22, 2018, municipal and school board elections. By April 3, 2018, the Determination & Distribution (D&D) Report must also be submitted to the Ministry of Education, the Election Clerks of all municipalities within the DSBN jurisdiction, and the Secretary of each school board that is wholly or partially within the DSBN's jurisdiction.

The key results associated with the determination and distribution process are noted on Schedule 1 *“Report on the 2018 Determination and Distribution of District School Board of Niagara Trustees”*. Additional details on the number of English Language Public District School Board electors and the resultant electoral quotients, as well as a comparison with the data used in the 2014 determination and distribution of Board Trustees, are provided on Schedule 2.

It should be noted that the resulting electoral quotients have not changed materially since 2014. Also of note is the fact that 6 of our 12 municipalities (Niagara-on-the-Lake, Port Colborne, Pelham, Thorold, Wainfleet and West Lincoln) all continue to comprise 5% or less of the total English Language Public District School Board electors for Niagara. These areas have been combined either with other neighbouring municipalities or with each other to produce the distribution of Trustees. This allocation has remained unchanged for each election since the 1998 amalgamation of school boards.

**REPORT ON THE 2018  
DETERMINATION AND DISTRIBUTION OF  
DISTRICT SCHOOL BOARD OF NIAGARA TRUSTEES**

**1. English Language Public District School Board Electors:**

Ontario Regulation 412/00 determines the allocation of Trustees based on the total population of the electoral group. As of February 13, 2018, the electoral group for the DSBN is 288,250. For electoral groups of 250,000 to 399,999, Part III, Table 2, of the Regulation allocates 11 Trustees. The electoral quotients for each municipality are calculated below.

	<u>Electoral Group</u>	<u>Electoral Quotient</u>
St. Catharines	84,730	3.23
Niagara Falls	52,616	2.01
Welland	30,160	1.16
Fort Erie	21,810	0.83
Grimsby	18,235	0.70
Lincoln	16,560	0.63
Niagara-on-the-Lake	13,111	0.50
Port Colborne	12,382	0.47
Pelham	12,128	0.46
Thorold	10,950	0.42
West Lincoln	10,847	0.41
Wainfleet	4,721	0.18
<b>TOTAL</b>	<b><u>288,250</u></b>	<b><u>11.00</u></b>

**2. Calculation of the Number of Board Members:**

If a Board's Density calculation results are less than 4.00, up to 7 additional Trustees may be allocated (per Part III, Tables 1 and 3 of the Regulation). DSBN Board Density is 153.

i) Number of Members based on electoral group population (Table 2) = 11 Board Members

ii) Number of Additional Members based on board density

$$\begin{aligned}\text{Board Density} &= \# \text{ of electors} / \text{Board Area (Table 1)} \\ &= 288,250 \text{ electors} / 1,883 \text{ km}^2 \\ &= \underline{153}\end{aligned}$$

Number of additional members based on Board Density (Table 3) = 0

iii) District School Board of Niagara is a High Density Board.

Therefore, total number of Board Members is 11

**3. Designation of Low Population Areas:**

No municipality within the Board's area of jurisdiction is designated as a low population municipality.

**4. Distribution of Trustees:**

Based on the electoral quotients, the 11 Trustees are distributed as follows:

<u>Municipalities</u>	<u>Trustee Allocation</u>	<u>Electoral Quotient</u>
St. Catharines / Niagara-on-the-Lake	4	3.73
Niagara Falls	2	2.01
Fort Erie / Port Colborne	1	1.30
Grimsby / Lincoln	1	1.33
Pelham / Thorold	1	0.88
Wainfleet / West Lincoln	1	0.59
Welland	1	1.16
<b>TOTAL</b>	<b><u>11</u></b>	<b><u>11.00</u></b>

DISTRICT SCHOOL BOARD

March 1, 2018

Warren Hoshizaki  
Director of Education  
District School Board of Niagara  
191 Carlton Street  
St. Catharines ON L2R 7P4

Dear Mr. Hoshizaki:

Further to the letter dated December 20<sup>th</sup>, 2017, from Father Paul MacNeil, Chair of the Niagara Catholic District School Board, the Niagara Catholic District School Board has since received an initial staff report and recommendation on a proposed joint-use school in Wainfleet with the District School Board of Niagara.

At the February 27<sup>th</sup>, 2018 meeting of the Niagara Catholic District School Board, the Board approved the following motion:

*"THAT the Niagara Catholic District School Board make an application to the Ministry of Education Joint-Use Seed Funding Program with the District School Board of Niagara, and if successful, steps will be taken to further develop the joint-use school project and report back to the Board for further approvals as required."*

This motion should assist the District School Board of Niagara in its accommodation planning for students who reside in the Township of Wainfleet as requested in the November 29<sup>th</sup>, 2017 letter from Chair Robinson of the District School Board of Niagara,

Should a similar motion be approved by the Trustees of the District School Board of Niagara, a joint application will be coordinated and prepared with input from each school board.

Sincerely,

John Crocco  
Director of Education

The Honorable Indira Naidoo-Harris  
Minister of Education

Bill 191 (The Education Amendment Act (Fetal Alcohol Spectrum Disorder), 2017) is currently awaiting second reading in Provincial Parliament. This Bill ensures the provision of support for students with Fetal Alcohol Spectrum Disorder (FASD), and collaboration with parents and FASD Support Groups.

The Centers for Disease Control (CDC) website describes Fetal Alcohol Spectrum Disorder as “a group of conditions that can occur in a person whose mother drank alcohol during pregnancy. These effects can include physical problems and problems with behaviour and learning. Often, a person with an FASD has a mix of these problems.”

According to the CDC, the rate of FASD incidence is estimated to be between 2% and 5% of the population. Some of the symptoms a person with an FASD might have include “poor coordination, hyperactive behaviour, difficulty with attention, poor memory, difficulty in school (especially with math), learning disabilities, speech and language delays, intellectual disability, poor reasoning and judgement skills, vision or hearing problems, and problems with the heart, kidneys, or bones”.

At the February 21, 2018 Board Meeting, Halton District School Board’s Board of Trustees approved the following resolution:

Be it resolved that the Board of Trustees authorize the Chair to write a letter to the Minister of Education in support of Bill 191, The Education Amendment Act (Fetal Alcohol Spectrum Disorder), 2017 copying all Ontario MPPs and school boards.

Please accept this letter as support for Bill 191, The Education Amendment Act (Fetal Alcohol Spectrum Disorder), 2017.

Bill 191 places additional responsibilities on Boards. We would request that the Ministry provide resources to Boards so that they may enhance expertise in support of students with FASD.

Sincerely,

Andréa Grebenc  
Chair, Halton District School Board
