

# English Education Verification Letter

An English Education Verification Letter is generally used to prove that a student attended English speaking schools while living in the Province of Ontario. The letter lists the schools attended by the student in Ontario with the dates of attendance at each school. The Letter also states that the language used to teach the classes at each school was English. Typically, an English Education Verification Letter is used by parents living in Québec who wish to enrol their children in English speaking schools. The letter can also be used to prove that a person attended school in Ontario.

**Student records are confidential and English Education Verification Letters are issued only at the written request of the student and are subject to the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)**
